Student Conduct

All students must arrive on time (9:55 a.m.) and they should be picked up on time. Students are expected to maintain an atmosphere that is conducive to learning and Islamic behavior. Parents are urged to ensure their children understand the importance of education, respect for teachers, completion of the assigned homework, the need for spiritual and physical cleanliness, decency in dress, and Islamic behavior.

- **Classroom behavior:**

Disruptive or distracting behavior is not tolerated in the classroom. Only school related books and materials are allowed in the classroom. Students are not allowed to leave the building without permission at any time.

- **Warnings:**

Any act of misconduct or disrespect by a student may be cause for a warning or suspension from school. Three warnings can result in the suspension of the student for the rest of the year.

- **Grievance Procedure:**

A parent desirous of seeking clarification for a particular disciplinary action may do so by filing such a request in writing within seven days of the action taken. This request will be addressed and submitted to the School Principal. Final decision rests with the principal.

Dress Code

We encourage students to respect themselves and adhere to Islamic rules for dress. All girls are encouraged to wear a head cover or Hijab. All students should wear modest clothes with loose fittings. Clothes with inappropriate images are not allowed.

Note: The School Principal or a class teacher has the authority to decide whether the clothing is appropriate or not.

Books and Supplies

Books are supplied by the school. If a student loses a book, a replacement can be purchased from the school (\$10 per book). Students are required to bring with them paper, pencil, textbooks, and other school supplies every week. Book bags are recommended. Students are responsible for their own belongings.

Parents Role & Responsibility

Every parent is required to volunteer three Sundays during the academic year.

Please contact the principal to reserve your dates and responsibilities.

Parents must meet with the class teacher and principal in order to receive update and progress report of their child.
